

## Canadian Toy Testing Council Gives Don't Quote Me – TIME For Kids Top 3-Star Rating

*Entertaining, educational and fun – a hit with kids and parents alike*

London, ON, Canada – September 22, 2005

Wiggles 3D is delighted to announce that the Canadian Toy Testing Council has recognized the new **Don't Quote Me – TIME For Kids Edition** board game with a three-star “\*\*\*” rating – the highest level awarded by the Council.

The three-star rating is awarded to products that demonstrate excellence in all areas of function, design, durability and most importantly – play value. The TIME For Kids game has easily met these criteria and is considered an outstanding game for kids and parents alike.

The Council states: “...questions in this game are a great mix of things mom or dad would know and things the children know from school and the media. There is a good selection of Canadian questions as well. Families find this game enjoyable because everyone can play together and the parents don't have all the answers.”

The third in a series of award-winning games by Wiggles 3D, the Don't Quote Me – TIME For Kids game, developed through license with Time Inc.'s TIME For Kids newsmagazine, is packed with 1,000 quotes and questions covering **topics that kids study and know**. Each question provides background information with interesting and fun facts that kids love. A puzzle game board that players build as they go and a variety of event cards provide action-packed fun! The game also comes in a magnetic travel version ideal for active families and friends on the go. For ages 10+.

The **Canadian Toy Testing Council** is a non-profit organization evaluating toys for over 50 years. The Council is recognized for informing consumers about high quality toys and increasing awareness of top-rated toys through their Three-Star Seal Program.

The Canadian Toy Testing Council three-star rating is the fifth significant honour for the TIME For Kids Edition since its introduction in February 2005. Other honours include:

- iParenting Media's **2005 Outstanding Product Award** (Aug 2005)
- Creative Child Magazine's **Toy of the Year Award** in the Kid's Board Game category (Jul 2005)
- Dr. Toy's **2005 Best Vacation Children's Products Award** (Jun 2005)
- a **five-star review** by Toy Expert, Dipika Mirpuri at **About.com** (<http://toys.about.com/od/games/gr/dontquoteme.htm>)
